

City of Smyrna

Water and Sewer Availability

The City of Smyrna has determined that water and sewer is available to the proposed development.

Sanitary sewer is available to the proposed development on Campbell Road. The developer is responsible for all taps and bores. Existing sewer taps will be used where possible.

Water is available to the proposed development on Campbell Road. The developer is responsible for all taps and bores. Existing water taps will be used where possible.

Land Lot 700, 17th District 2, parcel 1707

Elevations are the responsibility of the developer for parcel ID # 17070000040

Sincerely,

Frank Martin

Director Public Works
