SUBJECT: Recommendation - RFP 15-046 Wolfe Center Pool Replastering

The City of Smyrna requested proposals for replastering the Wolfe Center Pool, providing specifications. We received two bids. The most responsive and responsible bidder was Sears Pool Management Consultants for \$20,982.00. This project will require closing the pool for a few weeks and will be coordinated with the other two pool equipment maintenance projects that have been bid and awarded: sand filter replacement and boiler/heater replacement.

<b><u>BIDDER</u></b>	<b><u>TOTAL AMOUNT</u></b>	<b><u>EXCEPTIONS</u></b>
----------------------	----------------------------	--------------------------

<b>Sears Pool Management Consultants</b>	<b>\$20,982.00</b> <b>10-14 days working time</b>	<b>None</b>
Aqua Design Systems	\$29,566.00 14 days working time	None

It is the recommendation of the Purchasing Department that this bid be awarded to the low bidder, Sears Pool Management Consultants, to replaster the Wolfe Center pool.

Please prepare any necessary paperwork to present to Mayor and Council for approval. We will then prepare a Purchase Requisition and complete contract work/purchase order for these services.
