Roy Acree  
Fire Chief  
Smyrna Fire Department  
2620 Atlanta Road  
Smyrna, GA 30080

Dear Chief Acree:

Allcomm Wireless is the only company in the South East that is a Motorola VAR, Value Added Reseller, for the Motorola ACE product line, an authorized distributor/exclusive wholesaler of WeatherWarn and a Master Dealer for Whelen Sirens. The only product that is certified to pass siren activation data for both Whelen and Federal sirens, through the Cobb County's radio system is the Motorola ACE product family. The integration of these three independent products makes Allcomm Wireless uniquely qualified to perform your siren and siren activation upgrade.

Sincerely,

A handwritten signature in black ink that reads "Lance Muncher". The signature is written in a cursive style.

Lance Muncher  
Warning Division Manager  
Allcomm Wireless
