SUBJECT: Recommendation – Purchase of Outfitted Police Department Vehicles Under Contracts

The Police Department budgeted to purchase seven (7) vehicles, all Ford Explorers, including one Explorer XLT AWD, one Pursuit Utility for Admin, one Pursuit Utility for CID and four Pursuit Utility vehicles for Patrol (black and white). After reviewing the State Vehicle Contract and contracts from U.S. Communities cooperative, Cobb County for reflective graphics, cameras, ruggedized PCs and in vehicle ticket printers, Police Admin Capt. Bennett, Purchasing and Information Systems were able to put together a package price to purchase and outfit the cars. The vehicles will be purchased off the State Contract from Wade Ford while other needed equipment will come from Dell, Insight Public Sector, Grafix, Diversified Electronics and Motorola, all of which have state, county contract or cooperative contract pricing. Any existing equipment that could be possibly reused will be recycled into the new vehicles.

**TOTAL COST FOR VEHICLES: \$257,528.80**

- Includes \$216,497.00 for Wade Ford and Diversified Electronics for vehicles and equipment installation
- Includes \$41,031.80 for equipment

Please prepare any necessary paperwork to present to Mayor and Council for approval. We will then prepare a Purchase Requisition and complete contract work/purchase order for these services.
