Unless otherwise specified on the quotation, our installers will be helping to arrange the delivery of your equipment order. They will be contacting you weekly to give you updates, confirm dates, and help you with the process of this installation. Our installers are professional, certified by the manufacturer, CPSI Certified, and have at least 20 years of experience with GameTime Playground Equipment and installations.

The installer will require and assume there is access to the site for their trucks and that they will have a working area available to them. Power and water should be available in the area as well. Before any work is started the installer foreman will review the site and scope of work with you. Upon completion they will do a walk through and final inspection on site. We ask you to complete our survey and sign off form when you are satisfied. Thank you!
