Approval of the City's Wellness Program renewal with Corporate Health Partners and authorize Mayor to execute related documents

ISSUE: Renewal of the City's Wellness Program contract with CHP

BACKGROUND: The City has engaged in a Wellness program with CHP for 11 years. We continue to see outstanding results (i.e. employees losing weight, blood pressure improvements, more active lifestyles). With the help of 3 onsite coaches, more and more employees are understanding their health issues and taking steps to living healthier lives. The wellness program has played a major role in controlling the city's healthcare costs. No change in the annual contract fee (same as the last 8 years). Contract year runs 1/1/19 -12/31/19, however approval of contract renewal required prior to upcoming screenings taking place.

RECOMMENDATION/REQUESTED ACTION: Approval of the City's Wellness Program renewal with Corporate Health Partners and authorize Mayor to execute related documents
