Re: Jonquil Plaza- Work Hours

Plateau would like to request extended work hours at the Jonquil Plaza project. This request is due to low production during peak traffic times in the mornings and the evenings on weekdays and hauling operations are stalled significantly. We request for a start time on Saturdays to be 7 a.m. in lieu of 9 a.m. per the city ordinance. This would be in effect until the completion of the project and we anticipate that to be 2 months. The goal in doing this is to complete the project in a more timely manner and get the site stabilized to reduce any erosion control problems. Please review and let us know if we are granted this request or if you have any questions. Thanks.

Respectfully,

Shane Hall
