### **\$ IMPACT:**

#### **Agenda Title:**

Approval of RES2021-10 for the Proposal for Professional Engineering Services with Croy Engineering Services for the final design and Construction Documents for the Preferred Concept Plan for the downtown improvement project approved at the October 18, 2021 City Council meeting in an amount not to exceed \$518,206.00 and authorize the mayor to sign and execute all related documents.

***Ward 3: Councilmember Travis Lindley***

### **ISSUE AND BACKGROUND:**

The city approved implementation of the downtown improvements for the village green area and surrounding streets as shown on the preferred concept plan developed by Pond & Company and upgraded through citizen input as shown on the recommended concept plan dated October 15, 2021. This proposal from Croy Engineering covers Professional Engineering Services for the final design and Construction Documents for the civil and park design portions of this project. The project services will include completing the construction documents for the civil portion of the design, providing bidding service for the civil construction, preparation of RFQ documents to retain the Contractor services, and participation in the contractor selection process.

**RECOMMENDATION / REQUESTED ACTION:** Staff recommends the approval of RES2021-10 for the Proposal for Professional Engineering Services with Croy Engineering Services for the final design and Construction Documents for the Preferred Concept Plan for the downtown improvement project approved at the October 18, 2021 City Council meeting in an amount not to exceed \$518,206.00 and authorize the mayor to sign and execute all related documents.
