NOTES from Fleet Manager, Mark Brugh		After reviewing the 2 Bids on the Street Dept. dump trucks, carefully using a spread sheet to compare the trucks from each dealership, Rush Truck and Wade Ford. I am recommending the purchases made through Rush Truck. They meet & exceed specifications that we requested for the purchase of the two dump trucks. The OX dump bodies offer a savings of \$ 2,252.00 on each. The dump bodies offered by Rush Truck meet or exceed the specs that the City requested. We also specified

		a Cummings Diesel with the Allison transmission and Wade Ford did not offer either in their bid.

It is the recommendation of the Purchasing Department that this bid be awarded to the lowest most responsive bidder, Rush Truck Centers of Smyrna.

Please prepare any necessary paperwork to present to Mayor and Council for approval. We will then prepare a Purchase Requisition and complete contract work/purchase order for these services.
