Dear Mayor and Council:

Community Development has received a zoning amendment application to modify the currently approved site plan and building elevations for the city owned property (the steel structure) at 1155 Concord Road. The applicant is proposing to use the existing structure and infrastructure, as well as a redesign of the parking area. I have attached the zoning amendment application for your reference. The zoning amendment is scheduled to be heard at the May 19th Mayor and Council meeting. Please let me know if you need any further information.

Thank you,

Rusty Martin
