Subject: RE: Bill Monahan 11K Race 2015

I have attached the Village to Village race map above. The roads affected for approximately 2 hours are:
Village Green Circle

1 outside curb lane of Atlanta Rd going south out of the city, into Cobb County PD jurisdiction almost to I-285 and then coming back north into the city in the same lane. Also will be affected any cross traffic over the lane of runners. Traffic on Atlanta Rd will still be permitted to travel north & southbound, one southbound lane.
