### **ISSUE AND BACKGROUND:**

As a result of the 2020 Census, the boundaries of the City of Smyrna, Georgia's ("City") seven councilperson wards require redistricting in accordance with applicable state and federal law; the Mayor and City Council ("Governing Body") of the City have engaged redistricting legal experts and consultants to assist the City in its redistricting efforts; and , the Governing Body now desires to adopt certain redistricting principles to serve as a roadmap for drafting ward boundaries.

**Section 1.** That any redistricting plan to be considered and adopted by the Governing Body shall comply with the U.S. Constitution, the Georgia Constitution, applicable state and federal law, including the Voting Rights Act of 1965, as amended, and such plan shall also contain contiguous wards within +/- 5% deviation from the ideal ward population. In addition to these primary criteria and to the extent practicable, the Governing Body may also separate incumbents into individual districts, maintain core retention to avoid voter confusion and follow natural geographic boundaries in drawing ward lines.

**Section 3.** Prior to any final adoption, the City will proceed with the required charter amendment process authorized by Official Code of Georgia Annotated § 36-35-4.1.
