CITY OF SMYRNA

WATER AND SANITARY SEWER AVAILABILITY

The City of Smyrna has determined that water is available to the proposed development. Water is located on Whitfield Street and Walker Court. The developer is responsible for all taps and bores. Existing water services shall be used.

Sanitary sewer is available on both Whitfield Street and Walker Court. The developer is responsible for all taps and bores. Existing sewer tap shall be used if at all possible. Elevations are the responsibility of the developer.

This information is based on a rezoning plan for 1396 Roswell Street by DGM Land Planning Consultants.

Sincerely,
