Re: Notice of 2022 Wholesale Wastewater Rate Adjustment

Dear Mayor Norton:

On September 14, 2021, the Cobb County Board of Commissioners approved a rate schedule for the Cobb County Water System (CCWS) that includes an adjustment to the governmental contractual wastewater rate. Effective January 1, 2022, our governmental contractual wastewater rate will increase from \$4.71 to \$5.23 per 1,000 gallons.

This adjustment is needed due to increases in operational costs, such as for chemicals and biosolids disposal, and is also necessary for planned improvements at our wastewater treatment plants.

Your continued support of our efforts is appreciated. Please contact me at 770-419-6339, if I can be of assistance.

Sincerely,

COBB COUNTY WATER SYSTEM
