Public Hearing - Administrative Appeal - Appeal of Community Development Director's Interpretation of Welded Wire for the Fence at 2711 Gilbert Street - Elizabeth B. Davis & James R. Davis

ISSUE AND BACKGROUND:

The applicant, Mr. James "Ron" Davis, is appealing the Community Development Director's administrative decision that the welded wire backing on a wooden split rail fence is in compliance and would not require a variance from Section 503-A of the Zoning Ordinance. The applicant believes welded wire and woven wire, which is prohibited per Section 503-A.3, are the same type of wire and should both be prohibited on fences in the front yard.
