Re: Petition for Annexation – Land Lot 0519, 17^h District, Parcel 0250, 2nd Section, 2474 Adams Drive, Cobb County, Georgia; Notice of Non-Objection.

Dear Mayor Norton:

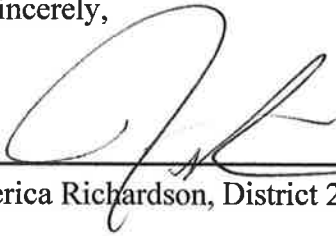

We are in receipt of the above-referenced annexation request. Please accept this response to the annexation proposal for 2474 Adams Drive. The subject property is located within an unincorporated island and its annexation would conform to the provisions of O.C.G.A. § 36-36-4 as it relates to annexing land while avoiding the creation of new unincorporated islands. Based on this information, Cobb County will not object to the pending request.

In summary, please accept this letter as the County's formal **notice of non-objection** to the proposed annexation. Please see the attached comments from the Cobb County Water System and the Department of Transportation. If you have questions or need any additional information, please contact the office of Jason Gaines, Planning & Economic Development Manager, at (770) 528-2018.

Water & Sewer Comments

Water service for this property is currently provided and will continue to be provided by the City of Smyrna.

Wastewater flow from the site will continue to be treated at the R. L. Sutton WRF where there currently is sufficient capacity. Permit issuances are subject to continued WRF compliance with EPD discharge requirements.

Because Smyrna will continue to own and maintain water and sewer facilities in public rights-of-way and public easements, there would be no infrastructure gain or loss.
