PUBLIC WORKS DEPARTMENT

February 13, 2020

Water and Sewer Availability

The City of Smyrna has determined that water and sanitary sewer are available to the proposed development.

Sanitary Sewer is available to the proposed development on Church Street/Love Street. The developer is responsible for all taps and bores. Existing sewer taps will be used where possible.

Water is available to the proposed development on Church Street/Love Street. The developer is responsible for all taps and bores. Existing water taps will be used where possible.

Elevations are the responsibility of the developer.

Sincerely,

Ernest Frank Martin
