Subject: Whitefield Academy - Special Land Use Permit Application

Councilman Fennel:

Whitefield Academy has submitted their Special Land Use Application to the city for the installation of a new modular classroom building. The application is scheduled to be heard at the Monday, May 12th P&Z meeting and the Monday, May 19th M&C meeting. I was wondering if you could schedule your public information meeting sometime prior to the formal hearing on the 19th? I only ask because Whitefield Academy is on a tight schedule and will not be able to table the request for another two weeks if the building is to be installed prior to August. Community Development has accelerated the Special Land Use Permit Process to be able to accommodate Whitefield's requests and needs. Please let me know, when that meeting is scheduled and I will be happy to attend.

Thank you,

Rusty Martin
