Re: Petition for Annexation– Land Lots 0634 & 0663, 17th District, Parcels 0001 & 0002, 2nd Section, 1755 & 1837 Roswell Street, Cobb County, Georgia; Notice of Non-Objection

Dear Mayor Bacon:

We are in receipt of the above-referenced annexation and rezoning request. Please accept this response to the annexation proposal for 1755 and 1837 Roswell Street. The subject properties are currently zoned R-20 and NS and are within an area identified as Medium Density Residential (MDR) according to the Cobb County Future Land Use Map. The applications indicate the sites will be rezoned to RM-12, and be utilized for an 81 unit townhome community. While the proposed zone change is incompatible with the future land use category, because the properties are located in an island, this is a Non-objectionable request based on our HB 489 Intergovernmental Agreement pertaining to land use.

In summary, please accept this letter as the County's formal **notice of non-objection** to the proposed annexation. The comments from the Cobb County Water System and the Department of Transportation are attached for your consideration. Should you have any questions or need any additional information, please contact Jay Northrup, Intergovernmental Coordinator, at (770) 528-2199.

Subject: RE: ANNEXATION REVIEW: 1755 & 1837 Roswell Street, Smyrna

Water service for these properties is currently provided and will continue to be provided by the City of Smyrna.

Wastewater flow from the site will continue to be treated at the R.L. Sutton WRF where there currently is sufficient capacity. Permit issuances are subject to continued WRF compliance with EPD discharge requirements.

Because Smyrna will continue to own and maintain water and sewer facilities in public rights-of-way and public easements, there would be no infrastructure gain or loss.
