**Re: Petition for Annexation– Land Lot 880 and 881, 17<sup>th</sup> District, Parcel 3, 2<sup>nd</sup> Section, 2810 Spring Road, Cobb County, Georgia; Notice of Non-Objection.**

Dear Mayor Bacon:

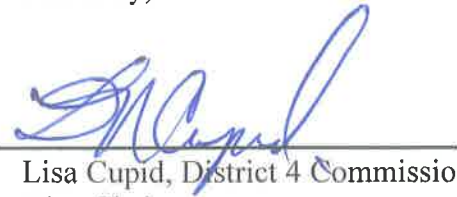

We are in receipt of the above-referenced annexation and rezoning request. Please accept this response to the annexation proposal for 2810 Spring Road. The Subject property is currently zoned O&I and is within an area identified as Regional Activity Center (RAC)/Office (off) sub-category according to the Cobb County Future Land Use Map. The application indicates the site will be rezoned to MU and be utilized for mixed-use. Based on our HB 489 Intergovernmental Agreement, this is an objectionable request due to it exceeding the density cap noted in the agreement.

However, due to existing and approved developments surrounding this proposed development, Cobb County does not intend to pursue an objection. In summary, please accept this letter as the County's formal **notice of non-objection** to the proposed annexation. The comments from the Cobb County Water System and Department of Transportation are attached for your consideration. Should you have any questions or need any additional information, please contact Jay Northrup, Intergovernmental Coordinator, at (770) 528-2199.
