Frank,

Attached is the detour plan for use as the exhibit for the road closure request. The dates requested for the closure would be as follows:

All roads would be closed on 03/21/2022

Village Green Circle east of the traffic circle and Atlanta Rd would reopen no later than 03/14/2023

King Street between Bank St and the Traffic Circle would reopen no later than 03/14/2023

The Traffic Circle and a small portion between the existing traffic circle and the eastern entrance to the library parking would remain closed permanently.

Please let me know if you have any questions, comments, or need any additional information.
