Approval of abandonment of public right-of-way between Church Street and Concord Road to First United Methodist Church of Smyrna.

ISSUE AND BACKGROUND:

The First United Methodist Church of Smyrna is requesting the abandonment of an old alleyway that bisects their property from Church Street to Concord Road. The alleyway is approximately 20'x 555' (or 11,100 sq. ft.). The church intends to consolidate all of its property into one property if the abandonment is approved.

Community Development has reviewed the request and could not locate any future plans or projects for the subject property. Public Works has reviewed the request and there are no utilities in the alleyway.

RECOMMENDATION / REQUESTED ACTION: Community Development recommends approval of the requested right-of-way abandonment to First United Methodist Church of Smyrna.
