Issue: The Police Department is requesting Mayor and Council approve FY20 Project Safe Neighborhoods- Microgrant for Community Policing, awarded to us on October 6, 2022, through the Criminal Justice Coordinating Council.

Background: As we renovate and redesign our city, the police department is looking for new ways to respond to areas where vehicles are not practical. The police department is reactivating our bicycle unit and needs money for uniforms, bicycle upkeep, training classes, and bicycle equipment such as blue lights. The grant was awarded to us in the amount of \$2,754.00.

Requested Action: The Police Department has reviewed the grant and is in the process along with Finance to accept the grant before it's deadline on November 20, 2022. We are asking the Mayor and Council approve and accept FY20 Project Safe Neighborhoods- Microgrant for Community Policing.
