Terri & Heather:

Community Development has received an email from Padera Group to withdrawl their rezoning request (See email below). Can you change the agenda title for this item on the December 7th meeting to reflect the applicant has requested this item to be withdrawn?

Mike:

Can you send me an email officially requesting the withdrawal of the Spring Street rezoning request?

We have to send in our items today so they can put the agenda together for the December 7th meeting.
