

PRESS RELEASE ANNOUNCING A PROPOSED PROPERTY TAX INCREASE

The City of Smyrna today announces its intention to increase the 2021 property taxes it will levy this year by 6.16 percent over the rollback millage rate.

Each year, the Cobb County Tax Assessors is required by Georgia law to review the assessed value for property tax purposes of taxable property in the City of Smyrna. When the trend of prices on properties that have recently sold in the City indicate there has been an increase in the fair market value of any specific property, the tax assessor is required by law to re-determine the value of such property and adjust the assessment. This is called a reassessment.

When the total digest of taxable property is prepared, Georgia law requires that a rollback millage rate must be computed that will produce the same total revenue on the current year's digest that last year's millage rate would have produced had no reassessment occurred.

In order to continue serving our citizens with the highest level of services possible, the City of Smyrna requires a millage rate higher than the rollback rate, therefore, before the final millage rate is set, Georgia law requires that three public hearings be held to allow the public an opportunity to express their opinions on this increase.

All concerned citizens are invited to the public hearings on this tax increase to be held at The Smyrna City Hall Council Chamber, 2800 King Street SE, Smyrna, Georgia, on July 19, 2021 at 7:00 PM and on August 2, 2021 at 10:00 AM and 6:45PM.
