Subject: Windy Hill Detour Request

Dear Mr. Osborn:

Baldwin Paving would like to request a full closure on Old Spring Road on the North side of Windy Hill beginning on Friday October 9th, 2020 with a fall back date of Monday October 12th, 2020, should any delays occur. This closure is being requested knowing that there is still a pole in conflict with pending utilities. The removal/relocation of this pole is critical to the forward progress of this project and Baldwin is requesting the City of Smyrna reach out in addition to the efforts that Baldwin has already made towards this work.

Please review and approve this request at your earliest convenience.

Should there be any questions or concerns, or if any further information is needed, please contact me at (404)-789-5408.

Sincerely,

Bruce Roeder
Project Manager
