Subject: Annexation Application for 2451 Adams Drive

Good Afternoon Mr. Suddreth and Mr. Martin,

I have been informed by the Commissioner in who's district in which it is located that we will not be sending a Notice of Response regarding the annexation application for 2451 Adams Drive. In accordance with the Intergovernmental Agreement on Land Use, we did not respond within the required timeframe, so the city may proceed with the annexation as if we did not object. I regret this is as formal a response as we will be making. If you have any questions, please feel free to call. Thank you.
