SUBJECT: **Recommendation (Sole Source) – Seba 70-40 Concrete Crusher**

Public Works has requested to purchase the Seba 70-40 Crusher from Grinder Crusher Screen. The crusher would provide an alternative for the haul off of concrete and asphalt from city projects. This machine would allow the city to crush curb, gutter, sidewalk and asphalt and repurpose for future water/sewer, storm drain and roadway projects.

<i>Vendor</i>	<i>Total</i>
Grinder Crusher Screen 1772 Corn Road Smyrna, GA 30080	\$179,900.00

The Seba 70-40 Crusher is sold exclusively in the United States by Grinder Crusher Screen. This machine is recommended as it comes with a camera allowing a one-man operation. The company is also located less than 2 ½ miles from Public Works so repairs and maintenance may be performed quickly.

It is the recommendation of Purchasing and Public Works that the crusher be awarded to Grinder Crusher Screen in the amount of \$179,900.00.

Please prepare any necessary paperwork to present to Mayor and Council for approval.
