

CITY OF SMYRNA

WATER AND SEWER AVAILABILITY

The City of Smyrna has determined that water and sanitary sewer are available to the proposed development. The developer will be required to connect the development to the sewer main in North Cooper Lake Road. Water will be required to be connected in two locations, at the end of Plumcrest Road and North Cooper Lake Road. Elevations are the responsibility of the developer.

This information is based upon a site plan for Venture Homes North Cooper Lake Road Tract, dated March 18, 2015 by Hdg Heavner Design Group.

Sincerely,

Scott Stokes
Director Public Works
