Subject: Notification of Zoning Amendment Z14-011 - McDonalds
Attachments: Proposed Building Elevation_Z14-011.pdf; Zoning Application_Z14-011.pdf

Dear Mayor and Council:

Community Development has received a zoning amendment request from McDonalds for 3240 South Cobb Drive (The Crossings Shopping Center) for the allowance of signage on all four sides of the building. The building is currently allowed to have two wall signs (one on the front and one on the parking side of the building). The applicant is requesting to break the two signs up into four individual signs (one for each side of the building) that will not exceed the total sign area allowed for the original two signs. The zoning application and supplemental documents are attached for your reference. The zoning amendment is schedule to be heard by the Mayor and Council at the May 19th M&C meeting. Please let me know if you need any further information.

Thank you,
