CITY OF SMYRNA

WATER AND SEWER AVAILABILITY

The City of Smyrna has determined that water is available to the proposed development located at 460 Bourne Drive. Water is available on Old Concord Road.

Sanitary sewer is not adjacent to the proposed development, though the current development may be connected to a City of Smyrna sewer main by private force main. Any modification to the existing development will require the force main connection to be brought up to Smyrna requirements.

This information is based upon an overlay map by Kelly Davis P.E. with Gaskins Engineering.
