Agenda Title:

Public Hearing - Approval of ORD2021-15, a code amendment to sections 6-2 and 6-85 of the City's Alcoholic Beverage Ordinance to increase the percentage of the alcohol sales for private dog parks from 25% to 50% of the gross revenue of the business.

Ward: City wide

ISSUE AND BACKGROUND:

On May 17, 2021, the City Council approved code amendments to the City's Alcoholic Beverage Ordinance to allow the on-premise sales and consumption of alcoholic beverages at private dog parks by a vote of 6-0.

The original ordinance limited alcohol sales for on-premise consumption to 25% of the gross revenue of the business. Community Development has worked with potential private dog park business owners and they have expressed that the limit on the alcohol sales to 25% of the gross revenue makes the business model unviable. The potential business owners have recommended increasing the maximum allowable alcohol sales to 50% of the gross revenue of the business.

RECOMMENDATION / REQUESTED ACTION: Community Development recommends **approval** of the proposed code amendment.
