Agenda Title:

Authorization for Change Order #1000 in the amount of \$56,285.90 to Ardito Construction (1290 Austell Road SE, Marietta, Ga. 30008) for the drainage work at 3307 Fieldwood Drive and 3309 Fieldwood Drive, Smyrna to be paid from Capital Outlay - Stormwater Infrastructure / Stormwater Project and authorize the Mayor to sign and execute all related documents.

Ward 6 / Councilmember Gould

ISSUE AND BACKGROUND:

The city had to expand the original scope of work from what was originally approved due to adverse conditions from neighboring properties. We realized the project was much larger once work began and the addition a large rain event brought these issues further to light. While onsite it was deemed necessary to resolve all issues at once. Correcting the original approved scope of work was not sufficient and would not have resolved the additional issues.

RECOMMENDATION / REQUESTED ACTION: Public Works and Purchasing recommend authorization for Change Order #1000 in the amount of \$56,285.90 to Ardito Construction (1290 Austell Road SE, Marietta, Ga. 30008) for the drainage work at 3307 Fieldwood Drive and 3309 Fieldwood Drive, Smyrna to be paid from Capital Outlay - Stormwater Infrastructure / Stormwater Project and authorize the Mayor to sign and execute all related documents.
