SUBJECT: **Recommendation – FY2022 Purchase of Outfitted Police Department Replacement Vehicles**

The Police Department budgeted to purchase six (6) vehicles, all 2021 Ford Explorer Pursuit Utility Vehicles. Due to ongoing chip and vehicle shortages because of the pandemic, we are unable to locate vehicles with dealers available on State of Georgia contract. Orders for new vehicles are delayed approximately 6-12 months. With assistance from Wade Ford, we have located vehicles from a local dealer in Perry, GA – Brannen Ford. The pricing is in line with state contract and the Police department is recommending purchasing these vehicles off the lot. The vehicles will be outfitted with equipment from ProLogic ITS (lower quote than Diversified Electronics), Dell EMC (State of Georgia contract), Insight Public Sector (Omnia Partners contract) and Grafix Shoppe. The total cost per vehicle is \$45,507.88.
