NOTES from Fleet Manager, Mark Brugh		<p>After reviewing the 2 Bids on the Street Dept. dump trucks, carefully using a spread sheet to compare the trucks from each dealership, Rush Truck and Wade Ford. I am recommending the purchases made through Rush Truck. They meet & exceed specifications that we requested for the purchase of the two dump trucks. The OX dump bodies offer a savings of \$ 2,252.00 on each. The dump bodies offered by Rush Truck meet or exceed the specs that the City requested. We also specified a Cummings Diesel with the Allison transmission and Wade Ford did not offer either in their bid.</p>
