Re: Jonquil Plaza – Work Hours

Plateau would like to request extended work hours at the Jonquil Plaza project. We request the work hours to be 7 a.m. – 7:30 p.m., Monday through Saturday. This would be in effect until the completion of the project and we anticipate that to be 6 months. The goal in doing this is to complete the project in a timely manner and get the site stabilized to reduce any erosion control problems. Please review and let us know if we are granted this request or if you have any questions. Thank you for your consideration.

Sincerely,
PLATEAU EXCAVATION, INC.
