To Whom It May Concern:

I would like to request an extension of work hours for the Legacy Academy Smyrna project, located at 4390 South Cobb Drive Smyrna, GA 30080. Due to the extensive amount of concrete which needs to be poured, we would not be able to pour and finish the slab with only 12 hours per day. We would like request an extension of work hours, to begin at 5:00am and end at 7:00pm, for one day during the week of 3/19/18 – 3/23/18.
