

## COOPER LAKE PLACE "NO PARKING" REQUEST

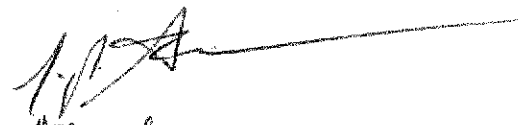

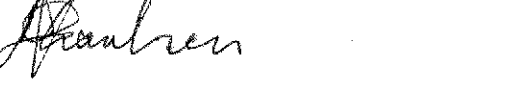

We are still experiencing parking on the curve as you enter our subdivision. As you are aware, "The HOA Board" has adopted a "No Street Parking" guideline at the curve in this area. As we have noted in the past, this area is a blind spot where one cannot readily see an oncoming vehicle coming in the opposite direction in which one is traveling and causes a safety situation and liability for all traveling in that area. The two areas of concern and parking guidelines are as follows.

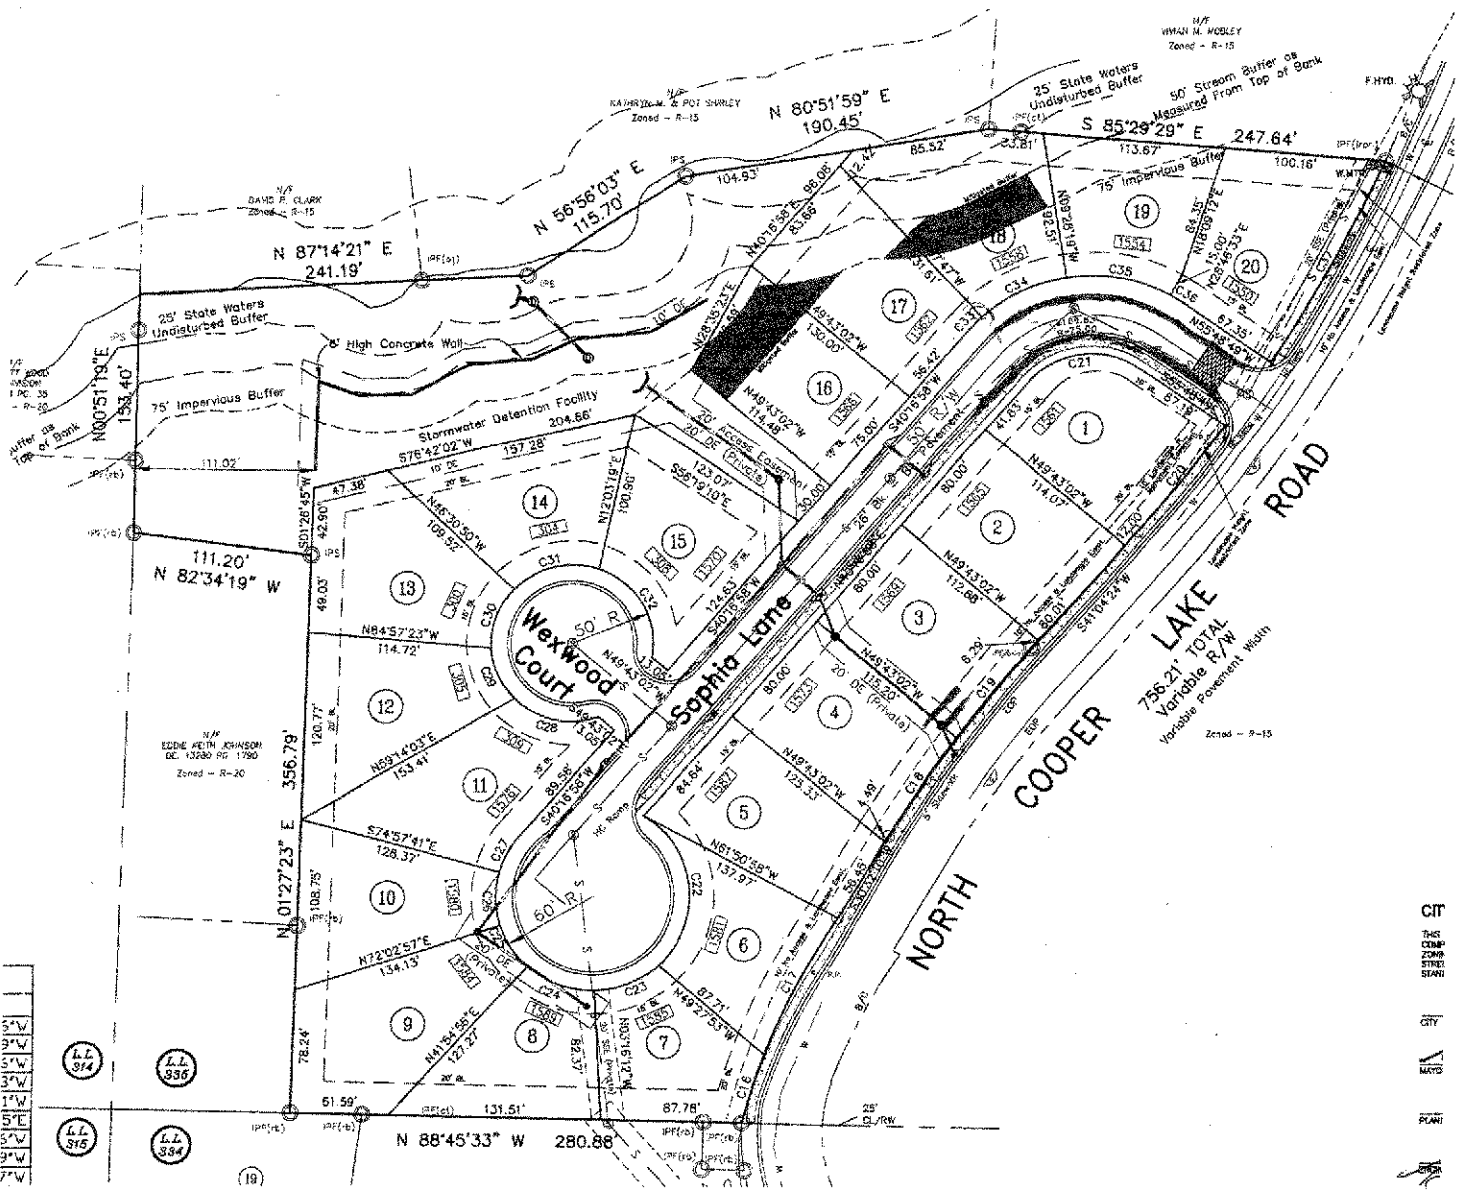

1. No parking on the right side of the road beginning at the Alishio front entry property line and ending at the Cook/Brennan property line.
2. No parking on the left side of the road beginning at the Means' front entry property line and ending at the Means/Blanchet property line.

In order for "vehicle owners" to have a clear understanding of the "No Parking" areas, we have requested the City to paint "No Parking" on the curbing areas. There will be no "No Parking" signs erected. Your signature approval is required for this action.
