DATE: May 23, 2019

SUBJECT: Recommendation - RFP 19-019 Transit Analysis & Feasibility Study (TAFS)

The City of Smyrna requested qualifications and cost proposals for consultants to develop the Smyrna Transit Analysis and Feasibility Study. This project is partially funded by a grant from the Atlanta Regional Commission (ARC). Five (5) firms submitted and the proposals were ranked by six evaluators. Following evaluation without costs, the team conducted interviews with the top three firms on May 15, 2019. Based on the results of the firm's proposal, qualifications, interviews, along with pricing submitted, it is the team's recommendation the award be made to Tindale Oliver. Please see attached scoring matrix.

<b>RANK</b>	<b>PROPOSER</b>	<b>TOTAL COST</b>
1	Tindale Oliver	\$365,020.00
2	AECOM	\$349,879.30
3	Gresham Smith	\$375,000.00
4	Foursquare ITP	\$368,961.60
5	Nelson Nygaard	\$374,953.00

It is the recommendation of the Transit Analysis & Feasibility review team that this RFP be awarded to the most responsive and responsible proposer, Tindale Oliver.

Please prepare any necessary paperwork to present to Mayor and Council for approval. We will then prepare a Purchase Requisition and complete contract for these services.
