**City of Smyrna
2022-01-26 - PD Training Facility**

1/28/2022

On behalf of LMI, I would like to take this opportunity to thank you for allowing us to provide you with the following Low Voltage systems proposal. ***All prices include taxes, shipping and project management.***

Access Control:

LMI will provide labor to install (1) owner provided Software House Panel. LMI will provide and install cabling to support the 3 door locations assigned in site walk. For the rear door, LMI will provide and install conduit from the panel to the read door location on the wall at roughly 10' above the floor.

LMI will provide and install the following components at the (3) door locations:

- Card Reader
- Door Position Switch
- Motion Sensor
- Electric Locks (Strike/Magnetic Lock)
- Push to Exit Button (Where required)

LMI will provide labor to connect the Access Control System power supply to Fire Alarm Vendor's relay cable for override. (If one is available)

Total Access Control Pricing: **\$ 7,853.00**

Additional Door Add Alternate: **\$ 2,632.00**

LMI will provide cabling and materials to bring one additional door online. This pricing assumes the work is performed at the same time as the above main scope.

CCTV Camera Install Add Alternate: **\$ 260.00**

LMI will provide labor to install (4) owner provided interior cameras and connect to owner provided network cabling. This pricing does not include configuration or cabling.

Exclusions:

Fire Alarm Relay, Knox Box/Knox Box Coordination, Network Switch, UPS System, Intrusion System, CCTV System, Licensing

Notes:

This pricing assumes work can be done during normal business hours.
