## Issue Sheet

File Number: 2018-428

---

**Agenda Date:** 10/15/2018

**Version:** 1

**Status:** ATS Review

**In Control:** City Council

**File Type:** Authorization

**WARD:** City Wide

**COMMITTEE:** Human Resources

**\$ IMPACT:** None

**Agenda Title:**

Approval and adoption of the revised Americans with Disabilities (ADA) Transition Plan and authorize the Mayor to execute related documents

**ISSUE:** GDOT requires an updated ADA Transition Plan to be on file to continue receiving federal funding.

**BACKGROUND:** Recipients of Federal Financial Assistance with 15 or more employees and **public entities with 50 or more employees** under Section 504 and ADA at 49 CFR Subsection 27.11(c) (iii) (v) & 26 CFR Subsection 35.150 (d) respectively, are required to develop an ADA Transition Plan when structural changes to existing facilities are necessary in order to make a program, service or activity accessible to people with disabilities.

A copy of a signed, updated plan is required to be filed with GDOT by year end, whether or not there have been any changes in facilities since the last filed plan. The City has added 2 new facilities since 2013 (Reed House and Recycling Center), requiring our plan to be updated.

**RECOMMENDATION/REQUESTED ACTION:** Approval and adoption of the revised 2018 Americans with Disabilities (ADA) Transition plan and authorize the Mayor to execute related documents.
