Sponsors: Anulewicz

City Administrator Mike Jones read the following background for this item:

This item is a Zoning Request (Z16-022) for the rezoning from LC & CBD to GC on 0.86 Acres on Land Lots 486 & 523 located at 1239 Concord Road and 1200 & 1204 Medlin Street by the applicant DDP Concord, LLC.

DDP Yoga is requesting a rezoning of subject property from LC & CBD to GC for a more intensive use of the property beyond a video production studio. The rezoning would allow the property to be used for additional uses currently not covered under the LC zoning district. The additional uses would include: retail sales, instructional yoga and cooking classes and the rental of the facility for special events.

DDP Yoga redeveloped the site in 2014 for a new video production studio. The redevelopment included renovation of the existing office building and the construction of a 2,300 sq. ft. addition to the building for the production studio. As part of the redevelopment, the City granted a variance (Variance Case V14-024) for a front setback reduction from 50' to 25' for the new addition. While renovating the building, DDP Yoga acquired 1200 & 1204 Medlin Street to provide additional parking for staff and the public. The lots on Medlin Street had a CBD-Conditional zoning designation and were specifically zoned for a parking area back in 2008 (Zoning Case Z08-001) to support a mixed use building along Concord Road. The development associated with Zoning Case Z08-001 never came to fruition and DDP Yoga purchased the lots in 2014. The two homes that were on the lots were demolished and the parking area was constructed to serve the studio building.

The rezoning request was heard by the Planning and Zoning Board at the December 19, 2016 meeting and was recommended for approval by vote of 6-0.

Mayor Bacon called the public hearing and no one came forward to speak in favor of or in opposition to this request.

Senior Planner Russell MARTin came forward and gave additional background and showed the parking lot site plan.

E. Approval to amend the FY2017 Budget Fee Schedule to reduce a Liquor Package License from \$5,000.00 to \$2,000.00.

Sponsors: Fennel

City Administrator Mike Jones read the following background for this item:

This item is for the approval to amend the FY2017 Budget Fee Schedule to reduce a Liquor Package License from \$5,000.00 to \$2,000.00.

A proposed fee schedule change to a Liquor Package License in the FY2017 Budget Fee Schedule created a \$3,530.00 increase from \$1,470.00 to \$5,000.00. This item is for the approval to amend the FY2017 Budget Fee Schedule for a Liquor Package License to \$2000.00, thus creating a \$530.00 increase in the FY2017 Fee Schedule. During the adoption of the FY2017 Budget, Community Development presented proposed fee increases for alcohol beverage licenses. The recommended fees were to remain consistent with the Cobb County Fee schedule. All of the City of Smyrna alcohol beverage fees were within reasonable proximity to the current Cobb County rates, however, the Liquor Package Fee for the City was set at \$1,470.00 and Cobb County was set at \$5,000.00 for this license. The City made the increase to the \$5,000.00 Cobb County rate and after further review the City has proposed to amend and reduce the fee increase to \$2,000 for Budget year FY2017.

This will create a increase for a Liquor Package License of \$530.00 for each of the eight establishments over 2016 amounts. The decrease from \$5,000 to \$2,000 will result in a \$24,000 reduction in budgeted fee revenue for the FY2017 Budget.
