To whom it may concern,

My name is Joshua Taylor, and I am requesting an appeal to get my alcohol license so I can continue to work at Varners Restaurant & Tavern.

I was arrested on the 31st of January for possession of THC oil, possession of MDMA and possession of alcohol by a minor.. At the time this happened I was making some very poor decisions in life and self medicating. Since then I've turned my life around. I'm no longer friends with people who influence me in a negative way, no longer using, and I've been clean since I was arrested. I'm getting randomly drug tested every month by my parents and I've started going to Narcotics Anonymous.

I've worked at Varners almost a month now and I love it. It's like one big family and they've been welcoming and I've made some really good friends. They're always there to help me better myself and keep me in line. I really need this job to pay expenses and turn my life around for the good.

Sincerely, 

Josh Taylor
