City Administrator Mike Jones read the following background for this item:

This item is for the authorization for the City to continue to participate in the Cobb County Urban CDBG Program from January 1, 2018 through December 31, 2020 and authorize the Mayor to sign and execute the corresponding agreement. Every three years, Cobb County, as the lead entity for the Cobb County Urban CDBG Program, is required to re-qualify as an Urban County along with each of its municipal partners. As such, Cobb County is requesting documentation of the City's intent to participate in the program for the next three years. This declaration is also important because of recent cuts to the federal budget on such programs. The City indicating its intention to continue to utilize and support the program is an important show of support for the CDBG program.

- B. Approval to reclassify a Police Major position to a Police Deputy Chief position

Sponsors: Norton

*City Administrator Mike Jones read the following background for this item:
The need to progress with the Stratified Model of Policing along with additional department goals which have evolved over the past four years, the need for a second Police Deputy Chief has arisen. In keeping with an effective and efficient span of control, a second Deputy Chief would allow the segregation of duties among these two positions to allow more projects and programs to be undertaken.
Throughout the Metro Atlanta area (City of Suwanee, City of Brookhaven, City of Sandy Springs, City of Marietta to name a few) departments have realized the effectiveness of two Deputy Chiefs and the impact these positions have on their operations. Due to the full service nature of the City of Smyrna Police Department (Jail, E-911, and Policing functions) and an overall evaluation of the operations holistically, the need for this second position has become necessary. With the announced retirement of a Police Major effective April 24, 2017, this opportunity has presented itself.
The Chief of Police and current Deputy Police Chief recommends this approval.*
