

Administration Update

June 1, 2017

- **Market Village Crosswalk**
- **Concord Road Linear Park**
- **Braves Tickets**
- **July Council Meeting Date**

Market Village Crosswalk Improvements

○ What and How

- Yellow light bars will be installed on the pedestrian signal pedestals to replace the black light bars (pictured right).
- The two pedestrian signal poles will need to be connected to the signal cabinet in order for the lights to function properly

○ When

- The week of June 5th AT&T will mark their utility lines.
- Next, the subcontractor will perform the directional bore across Atlanta Road and install the conduits to connect directly to the signal posts.
- TLS Electric will then pull new wire and make the connections to the new light bars.
- Estimated completion is during the week of June 12th (dependent upon how quickly AT&T marks their lines).

Concord Road Linear Park Parking Lot is Complete!

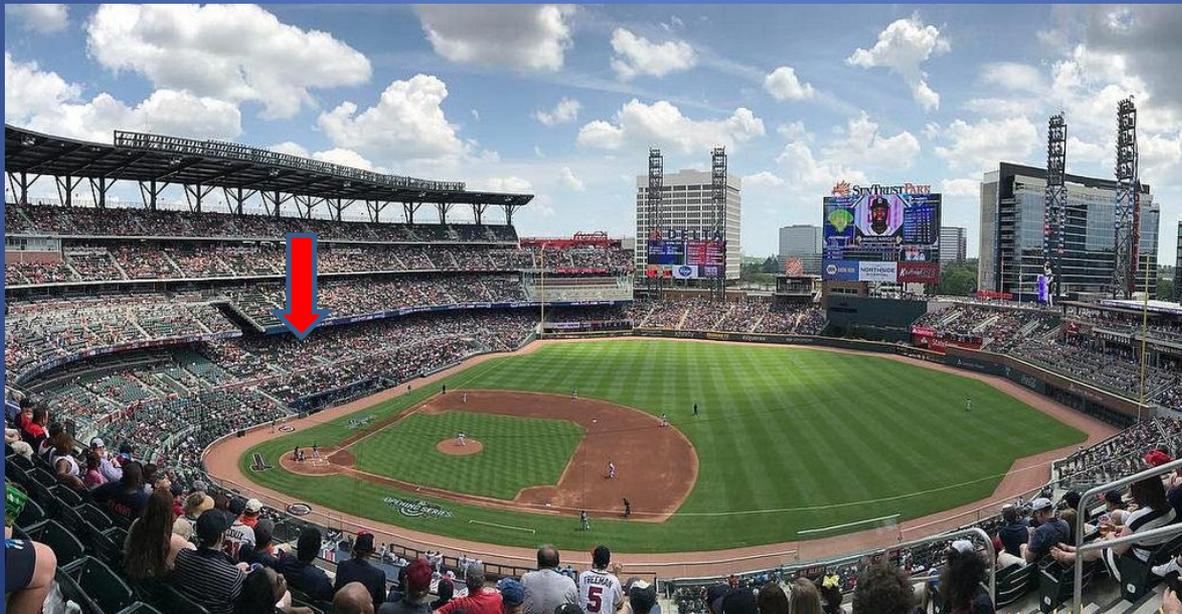

Wade's Place is Moving Along!
