Smyrna, GA 30080

RE: Windy Hill Boulevard Project (RFP 20-016)

Dear Ms. Brown:

After review and analysis of the six bids opened on February 18, 2020 for the Windy Hill Boulevard project it is Croy's recommendation to award the project utilizing the option of precast wall panels and maintaining the Ashlar finish for the vehicle barriers. **Baldwin Paving Co.** has provided the lowest bid for this option. Below is a list of the bids received, reflecting the pricing for the recommended option.

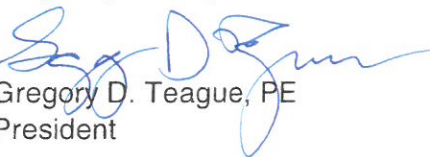

<u>CONTRACTOR</u>	<u>CONTRACTOR LOCATION</u>	<u>TOTAL AMOUNT</u>
Baldwin Paving Co.	Marietta, GA	\$29,571,781.52
Astra Group	Woodstock, GA	\$30,453,105.11
CMES, Inc.	Marietta, GA	\$30,690,444.00
CW Matthews	Kennesaw, GA	\$35,369,986.94
Ga Bridge and Concrete	Tucker, GA	\$36,552,232.55
Archer Western	Atlanta, GA	\$40,918,948.90

The low bid has been calculated utilizing the base bid and the bid alternate for precast panels. This resulted in a savings of **\$533,662.48** to the City compared with the base bid.

We recommend that The City of Smyrna award this project to **Baldwin Paving Co. in the amount of \$29,571,781.52.**

If you have any questions, please feel free to contact me at (770) 702-0194.

Sincerely,
Croy Engineering, LLC

Gregory D. Teague, PE
President
