

Mayor's Report – Oct 19, 2020

Recognition: Gabrielle Tobin

- Gabrielle Tobin is a freshman at Lovett High School and a proud Senior Girl Scout member for the past 8 years
- The past four years, she has developed a strong commitment to work with Lindley Sixth Grade Academy by providing school supplies and volunteer tutoring services in areas of math and reading
- Recognizing the challenges of math and the extra hurdle of virtual learning, she rallied her friends, and they created peer-to-peer math videos to aid students learning remotely called “For Math’s Sake: Peer-to-Peer Videos”
- The project is part of Gabrielle’s endeavor to get the prestigious Girl Scout Gold Award – the highest honor that a 9th-12th grader can earn in Girl Scouting, and nationally only 6% of Girl Scouts earn this award
- Gabrielle believes that she has a responsibility to pay it forward and give back to her community when and where she can. Additionally, she genuinely cares about her peers getting a solid mathematics education and having access to resources like peer-to-peer math videos to supplement their learning
