**Subject:** RE: No Parking Request - Woodland Ter

Ashley,

Thank you for including us in the discussion. We support prohibiting street parking on both sides of Woodland Terrace beginning at Spring Road all the way down Woodland Terrace at least until a point past the gated drive entrance to the Galleria Manor complex. At present we feel these "No parking" areas should be standard and not designated as fire lanes.

**Subject:** No Parking Request - Woodland Ter

Hey Tim,

I want to get your thoughts on this before I submit to Joe Bennet. Austin Wagner has requested No Parking signs on Woodland Terrace. I recommended no parking on either side of the street. The street is approx.. 22' wide. Please let me know if you are ok with allowing parking on one side, or prefer no parking on either side. I've attached a "rough" sketch.

Thanks,

### Ashley White
