A. Proclamation in Recognition of Veteran's Day Poppy Weekend (Nov 10-12, 2017)

Sponsors: Welch

Mayor Pro Tem Derek Norton called on Councilmember Charles (Corkey) Welch who read the Proclamation in recognition of Veteran's Day, Poppy Weekend (November 10-12, 2017) and presented it to Barbara McGee from the American Legion. She accepted the proclamation in recognition of Veteran's Day Poppy Weekend. She also asked the audience to come and support the event.

B. Recognize Smyrna Blue All-Star Rookie League (8u) - 2017 GA State Champs

Mayor Pro Tem Derek Norton asked if the Smyrna Blue All Star Rookie League (eight

and under) and Coaches would come to the podium. They were recognized as the 2017 Georgia State Champs. Mayor Pro Tem Norton noted that this is the second time in three (3) years that the team had won the state championship. This year they won the championship on July 26, 2017 in Warner Robins, GA. He introduced Coach Chuck Martin who in turn introduced each member of the team and coaches.

Players: Asher Adams, JD Aufderheide, William Backus, Andrew Biggers (Big Poppy), Luke Darsey, Cam Denis, Luke Linder, Jackson Martin, John Paolino, Landon Ryan, Hayes Stephens and the Coaches Corbin Adams, Davis Linder and Brian Stephens.

Coach Martin related the season to the Council about how they came to win the championship. He also thanked the Council for recognizing the team and pointed out how much Smyrna means to them. He continued to expound on travel sports, it is different than when he was young. When a young person shows interest in a sport, such as a travel sport, there is a loss of community. Due to the decisions made by Mayor, Council and the Parks and Recreation Department for fields and areas for sporting events their efforts encourage teams to come together and play. The city keeps the fields nice and playable. Because of volunteers that run the Smyrna Little League organization, the boys get to come together and play the sport they love but more importantly they have the sense of community. They play other teams, but those teams do not have what this team has, they have Smyrna. Because of what the city provides for the children they have memories that will last a lifetime. The team presented a signed program and a signed copy of their championship to the city as a token of their appreciation.

Mayor Pro Tem Norton requested that the coaches and players stay for a moment while he tells another story. He called on Samantha Timmons and Jarrod Simmons from the Atlanta Braves. He revealed a story about a player on the team that overcame unbelievable adversity to be a part of this State Championship Team. Jackson Martin was diagnosed with Perthes Disease right before his sixth birthday. All he wanted to do was play baseball, through times in a wheelchair and leg brace, Jackson never complained. He kept his eye on the prize to play baseball again. Last Spring the doctor agreed to let Jackson play, if his dad coached the team. Even though Jackson went through quite a bit of pain, he was able to play. At the start of the year, Jackson had 60 percent bone regeneration in his hip which allowed him to move quicker with less pain. During his eight (8) year old baseball season he played every day for six (6) weeks and pursued their goal as a team of winning the State Championship together.

Mayor Pro Tem Derek Norton introduced the representatives from the Atlanta Braves organization who wanted to be at the council meeting to celebrate the teams' victory and Jackson's remarkable recovery to play the game he loves. The Atlanta Braves had been following the team's accomplishments and Jackson's story closely. Samantha Timmons and Jarrod Simmons brought forth gift bags for each of the players from the Atlanta Braves. Mr. Simmons works with the youth baseball. He worked with Smyrna Blue along with other championship teams to have a day at SunTrust Park to recognize all their accomplishments. The entire Council congratulated each of the team members and wished them all well.

Jackson Martin asked to speak. He loves his baseball team. Smyrna Blue definitely helped him get into the State Championship. He thanked the coaches who helped him when he got into a slump, which he did a few times. He loves his dad and everyone on the team. He thanked the team.

Mayor Pro Tem Derek Norton reminded everyone that there is an election in the City of Smyrna on Tuesday, November 7, 2017. He asked if there were any candidates present that would like to speak briefly.

Marshall A. Moon came forward to announce that he is running for Ward 3 Council seat. He wanted the citizens to know that he would do the best job he could if elected.

Maryline Blackburn came forward, she addressed the Mayor and Council and stated that she was running for the Ward 3 Council seat. She has been a resident of the City of Smyrna for 17 years. She believes that she has contributed her time, energy and efforts during the 17 years to enhance the quality of life in Smyrna.

All legally organized fire departments in Georgia are required by House Bill 146 to provide certain cancer benefits effective January, 2018. The program provided a lump sum cancer benefit as well as long term disability coverage. The city needs to obtain coverage for the lump sum Cancer Benefit to provide that portion of the program, as the City of Smyrna already provides long term disability coverage for our employees.
