<u>Public Hearing</u> - Variance Request - V17-033 - Allow side setback reduction from 10 feet to 0 feet for the construction of a carport on a single family residence - 0.18 acres - Land Lot 554 - 3683 Ashwood Drive - Givenski and Deborah Rogers

The applicant is requesting a variance to reduce the side setback for 3683 Ashwood Drive from 10 ft. to 0 ft. for the ction of a carport on a single-family residence. The development standards established by the City for the R-15 district require a minimum front yard setback of 10 ft.

BACKGROUND: None.

MMENDATION/REQUESTED ACTION: The applicant is requesting to deviate from the development standards shed by the City for the R-15 zoning district, which requires a minimum side yard setback of 10 ft. The applicant is ting a reduction of the side setback for 3683 Ashwood Drive to 0 ft. for a carport on an existing single family home. In the special or extraordinary circumstances must be reviewed under the following standards: (1) Whether re unique and special or extraordinary circumstances applying to the property; (2) Whether any alleged hardship is rated by any person having an interest in the property; (3) Whether strict application of the relevant provisions of the ould deprive the applicant of reasonable use of the property; and (4) Whether the variance proposed is the minimum to eneeded. Community Development has reviewed the request against the variance review standards and found it to compliance with four (4) of the four (4) standards. Similar variances have been approved throughout the city so not be precedent would be set. At the time of this report, Community Development has not received any phone calls and the variance request. After a review of the standards above, Community Development believes that the community affect surrounding residents; therefore, staff recommends approval of the requested

File #: V17-033, Version: 1

e with the following conditions:

proval of the requested variance shall be conditioned upon the development of the property in substantial cance with the site plan submitted with the variance application.

2. Gutters and downspouts will be installed to divert stormwater away from adjacent properties.

<u>REQUESTED ACTION</u>: The License and Variance Board hold a public hearing per Section 1400 of the Smyrna Code.
